## JUNIOR REPRESENTATIVE INFORMATION

### SELECTION PHILOSOPHY

The selectors will choose a team that (in their opinion) will gain the highest placing possible in regional and national tournaments, while adhering to the eligibility criteria below.

For the New Zealand Junior Team Championships (NZJTC) held in Palmerston North there are now two divisions. Mainland (as a collective) now has the option of entering a combined team into the Division 1 competition. Selectors are appointed by Mainland for these teams.

Badminton Canterbury (depending on player availability and standard of play), we will enter a Canterbury team into either Division 1 or 2. Players should play for their own association in the first instance.

### SELECTION CRITERIA/ELIGIBILITY

Players must:

- Be up to date financially with BC for the past season and any invoices for the current season.
- Be in 'good standing' with their club or association
- Sign a players' contract at trials, which outlines their commitment and approximate cost. Players that pull out after trials may be required to pay a percentage of costs incurred.
- Make every attempt to attend all trainings. Any planned or unplanned absences are to be notified to the coach. No discount to training fees for sessions missed.
- Participate in any Badminton New Zealand tournament held in Christchurch unless otherwise approved by their coach or the junior selectors
- Must be a registered member of an affiliated Badminton Club (if this is not practical, an application must be made prior to selection to the Junior Convenor).
- Children wanting to be considered for South Islands in October are to attend the Regional Coaching Day on 11<sup>th</sup> April and 4<sup>th</sup> July.
- Exceptions to the above criteria can be made on a case-by-case basis by way of an application to the convenor and approved by BC Board.

Players will be selected on their:

- General fitness, health and well being
- Ability to work well with others in the team
- Demonstrated attitude and commitment to badminton
- Performance in the previous season and any competitions up to the date of selection
- Positional balance within the team (not have a team full of singles specialists)
- Attendance at trainings – unexplained absences will be taken into consideration upon team selection.

Players are expected to play in their own age group first. At times, it may be appropriate for a player to play outside their age group, this will be considered on a case-by-case basis and approved by the convenor and BC Board. Decisions may differ depending on whether it is a South Island or National Tournament. The best interests of BC and the player/s will be taken into account.

BC can consider players from outside of our association to fill a team however best endeavours will be made to fill teams with Canterbury players first before other Association players are invited.

Exceptions to the above criteria can be made on a case-by-case basis and approved by the convenor and the BC board.

## BC REGIONAL COACHING DAYS/TRIALS FOR REPRESENTATIVE BADMINTON

Dates:	11 <sup>th</sup> April: 1.30pm – 5.30pm (Trials) 4 <sup>th</sup> July: 9am – 1pm (Intensive Training)
Cost:	\$20 per day

Regional Coaching Days provide an opportunity for any player in Canterbury to get some intensive coaching. We use the Shuttle Time Badge Assessment as a guide to set the minimum level of standard required - Silver Standard and above (See below for guidelines – you don't need to formally hold this badge).

For any players that are wanting to be considered for a representative team for the 2021 season – attendance is compulsory on the 11<sup>th</sup> of April, as this along with tournament results are used by selectors to name the teams.

Camp will run in squads, based on ability, not necessarily your age group.

Registrations required through [www.badmintoncanterbury.com](http://www.badmintoncanterbury.com)

Coaches and selectors to attend.

Camp will run as two 1.5-hour training blocks with morning tea and guest speaker if possible, in between.

### SMART GOAL:

Coaches may work with players to help them set some SMART goals for themselves, opportunities will then be given during training for players to have an opportunity to work on their individual goals.

What is a smart goal?

For example: I want to be able to hit a cross court forehand net shot using the correct hitting technique of pronating forearm, with the shuttle landing within 30cm of the service line 8 out of 10 times by the end of July. To do this I will practice this shot for 5 – 10 minutes at each training session.
