SENIOR REPRESENTATIVE SELECTION INFORMATION

SELECTION PROCESS

TEAM FORMATION

- All senior ties including Wisden/Slazenger Cup, Neill Cup and the South Island Division 3 and 4 competitions will be a 12-match format.

2 x MS, 2 x WS, 2 x MD, 2 x WD, 4 x XD

- Mainland Social Teams Event (Previous Division 4) may alter the tie format to help associations form teams. This will be decided by Mainland.
- Players are encouraged to make themselves familiar with the information contained on Badminton New Zealand's website, particularly for inter association [Inter Association](#)

- Canterbury 1 & 2 will form a "Tier 1" training squad.
- Canterbury 3 & 4 will form a "Tier 2" training squad.
- Canterbury 5 training needs will be determined in the new year, they may participate in the level 2 training squad.
- The intention is for squads to be formed prior to the teams being named. This gives players the opportunity to prove and improve themselves further as the year goes on. Players need to be aware that positionings and squads may change as the year progresses – particularly for SI Division 3 & 4 players as those ties are not until August/September.
- Playing teams will be named no less than two months prior to the ties.
- Any non-travelling reserves should still attend training.

SELECTION PHILOSOPHY

The selectors will choose a team that (in their opinion) will:

1. Gain the highest placing possible in regional and national tournaments.
2. Selectors are also asked to consider player development opportunities.

Selection will be based on the senior players available but may include some junior development players (there is a sub-section below detailing Juniors in Senior Teams policy).

After squad selections are made, Badminton Canterbury will verify the teams, checking all players meet the selection criteria and are eligible for the team they have selected in (this may also involve BNZ and/or club player verification).

It is the role of the selectors (including coaches) to choose the players for the squads and teams, it is the role of BC management to ensure players are eligible and selection criteria have been followed. It is not to the opinion of BC Board, Staff or Management to assess player ability or positioning.

SELECTION PANELS

As the group of players who will form the senior rep teams varies greatly in playing ability, and it is important that the selectors are familiar with the players from whom they are selecting teams. To ensure player familiarity, there will be two selection panels, each consisting of the squad coach and two nominated selectors. Naturally these panels will overlap in the middle and will be required to communicate between the groups for this group of players.

- Tier 1: Selecting Canterbury 1 & 2 training squad.
- Tier 2: Selecting Canterbury 3 & 4 training squad.

BC will ask for volunteers/nominations to be a senior selector in January, and the selectors will be decided by BC management, taking into account a vote by players and the opinions of the coaches.

SELECTION CRITERIA/ELIGIBILITY

To be considered for a team, players must meet the below criteria. BC will check player eligibility prior to travelling teams being announced, and where exceptions are made this will be communicated to the coaches, selectors, and other team members while maintaining player privacy (this means BC may not disclose the reason for an exception if it is not in that players' best interests).

FINANCIAL

- Players will be up to date financially with BC for the past season and any invoices for the current season. Any payment plans set up must be being adhered to and current.
- Players must be a registered member of a BC affiliated Badminton Club, and be in 'good standing' with their club and association or be directly affiliated with Badminton Canterbury
- Players are expected to sign a players' contract at trials, which outlines their commitment and approximate cost. Players that pull out after trials maybe required to pay a percentage of costs incurred.

COMMITMENT TO BADMINTON IN CANTERBURY

- BC wants players dedicated to their badminton to wear the red and black with pride. It is required that players participate in the following key senior events during the year they are selected:
 - 2 out of 3 codes in the St Patricks Day Tournament
 - 2 out of 3 codes at the Canterbury Open
 - Any Badminton NZ tournament held in Christchurch the player is eligible for.
- Players are encouraged to play Doubles 1 or equivalent competition for match fitness.
- Any player who would like to be considered for a rep team but is unable to play in these events should email jo@badmintoncanterbury.com to explain their circumstances. These applications will be treated in confidence between BC management, the player and their coach.
 - Consideration will be given for work, family, sickness/injury, financial or other extenuating circumstances.
 - BC will communicate any exceptions approved to the coaches, selectors and other team members (but to protect player privacy the reason may be kept confidential).
- Training attendance:
 - Senior players should be attending pre-season training or completing an equivalent level of training to ensure badminton fitness coming into the season.
 - All players should aim for a minimum of 80% attendance at senior squad training (or junior equivalent).
 - No discount to training fees for sessions missed.
 - Any player who would like to be considered for a rep team but is unable to attend training regularly should email jo@badmintoncanterbury.com to explain their circumstances. These applications will be treated in confidence between BC management, the player and their coach.
 - Consideration will be given for work, family, sickness/injury, financial or other extenuating circumstances.
 - If an exception is granted to not attend training for a specific session on an on-going basis, it would be expected the player make every effort to attend other training sessions offered.
 - BC will communicate any exceptions approved to the coaches, selectors and other team members (but to protect player privacy the reason may be kept confidential).
 - Training attendance list will be made available to all squad members.
- Flexibility will be given to any player unable to compete or train due to COVID isolation requirements.

PLAYERS FROM OUT OF THE CHRISTCHURCH AREA:

- It is recognised here that Canterbury covers a large land area – from Kaikoura, to south of Ashburton, and inland to the West Coast boundary. Players from throughout this region must be given the opportunity to represent Canterbury, yet it may not be practical for them to attend weekly training sessions. It would still be expected that any player from outside one hour's travel to Pages Road would still meet other requirements (e.g. one-off events) and would attend training for a couple of sessions prior to any team ties/tournaments.
- Players based out of Canterbury. Here we note that there are players with strong ties to Canterbury, but circumstances have taken them away from here. In deciding if these players are eligible to play for Canterbury, BC will consider:
 - Commitment to play at BC events (obviously weekly interclub isn't possible)
 - Past commitment to play representative badminton for Canterbury (this means if the player has been here for just a year, then moved away is different to a player who has had an extensive playing history for Canterbury)
 - Recent playing history for Canterbury
 - Should a player be on a similar level to someone living in Canterbury, the preference should be given to the Canterbury residing player due to their overall commitment to the region.
 - Any players living outside of Canterbury will be required to attend St Paddy's or trials in the year that they are wishing to play so their performance can be viewed and assessed against other Canterbury players. Relevant results (i.e. against Canterbury players) from another recent event may also be considered.
 - There should be no more than two players per team from outside of Canterbury so that the overall impact on the team is minimal.

BREACHES OF PLAYER CONTRACT

It is obviously in everyone's best interests that Players, Coaches, Selectors and BC work together throughout the year. It is the responsibility of the coach and BC to monitor attendance at training, and BC to monitor entries into events.

If a player will be absent from training or a prescribed event, they should notify their team via chat. Should a player breach their commitment to their team (e.g. un-notified non-attendance), the following processes will apply:

1. BC will send player communication to player and coach, drawing players attention to their attendance record, and request either improved attendance or communication of reason.
2. BC will continue to monitor attendance.
3. If there is no improvement or communication, the player will be contacted by BC management.
4. If there is still no improvement the player will be notified that further action may be taken, including not being considered for a travelling team.

If a player continues to not attend training or events with no communication to their coach or BC, then their eligibility to play for Canterbury the following year may be affected. Players will need to explain their commitment to the team prior to being considered for selection for the following year. In addition, where there is a close call between player abilities, then preference will be given to players who regularly attend training and events.

PLAYERS WILL BE SELECTED ON THEIR:

Primary considerations:

- Current year's performance at tournaments held to date predominantly at the St Paddy's Day tournament.
- Results at any trials or trial games held within training times.
- Demonstrated attitude and commitment to badminton (this includes attendance at training)

Secondary considerations

- General fitness, health and wellbeing.
- Ability to work well with others in the team.
- Last year's performance at tournaments, attendance at training and overall player attitude
- Players are expected to give equal importance to away games and home games (i.e. not available only for home games)
- Positional balance within the team (can't have a team full of singles specialists)

JUNIORS SELECTED IN SENIOR TEAMS:

Firstly, congratulations on playing at a level that has you selected into a senior team! Both you and your parents need to know that the senior teams are operated quite differently to junior team trips. Please be aware of the following, and feel free to discuss any concerns with the Senior Convener, or General Manager.

- Senior teams are accompanied by only 1 coach, and a player/manager. They are not able to provide active supervision for a young person.
- Players are responsible for their own meals. This is often eating out. No meals will be provided or cooked for them.
- Our senior players often have a social night on the last night. At times this may mean being at a bar, which may leave juniors unsupervised. Other times the players may gather at the accommodation where senior players are permitted to drink alcohol or smoke cigarettes/vaping responsibly. Senior players are not to provide any juniors with such products, and Junior players are not to consume any alcohol/cigarettes/vaping products, and similarly junior players are not to request or consume these products.
- It is expected that playing at a higher level, Junior players will conduct themselves with maturity and be able to take more responsibility for themselves. As such, they will not have their electronic devices removed each night, nor would they be given a "lights out" time.
- Junior players should advise their team manager before leaving the playing hall/accommodation, it is not the team managers responsibility to control this or monitor the junior players.
- Parental supervision of anyone under the age of 16 playing in senior teams will be required at the parent's own cost.
- Parents of a junior travelling in a senior team need to understand and be comfortable with the above. Should they not be, we would suggest a parent travels with the team at their own cost to ensure supervision, or it may be better for the junior player to stay with junior teams that are more closely supervised.

FEEDBACK

Once the senior squads are named, feedback will be given as a general statement together with naming of the squads. Naturally there will always be people disappointed if they miss out on a squad/team they are aiming for. It is also important that selectors and coaches are able to give these players feedback so that they may be able to improve for future consideration.

- Players can request the feedback from the selectors and coaches through BC by way of email.
- BC will communicate feedback from the selectors directly back to the player.

Such feedback could include things such as what the player needs to improve, or that they may have missed out due to positioning (i.e. not having a team full of singles players). For example, selectors felt your fitness needs improvement, or there were other stronger doubles players in the team, and we needed to balance with some singles specialists.

Feedback will not include specifics about another player (e.g. Player x was selected over you because they beat you in singles on a particular day)

- If a player feels like they have been unjustifiably left off a squad or team selection, they may appeal via email to manager@badmintoncanterbury.com. Such an appeal must clearly state why they feel they should be in the team.

Note in fairness to all, it is highly unlikely a player would be withdrawn from a team and replaced by another player.

NZ DIVISION 1 (WISDEN) & 2 (SLAZENGER) CUPS

- All 12 teams (pending entries) will be seeded based on their previous years finishing positions with a single tie qualification round i.e. 1 v 12, 2 v 11, 3 v 10.
- All winners will progress to playing off for the Wisden Cup (division 1), losers progress to playing off for the Slazenger Cup (division 2)
- Last place from Slazenger Cup will play in a promotion/relegation round robin alongside first from North Island Division 3 and first from South Island Division 3.
- The winner of the promotion/relegation will compete in Wisden/Slazenger Cup for the following year, and the two other teams will compete in their respective Division 3 competitions.

SOUTH ISLAND DIVISION 3

- Is played on a rotational system in the South Island at a location decided by the Mainland committee.
- Exact tie structure is decided by Mainland in conjunction and with approval from Badminton NZ.
- The winning SI div 3 team will need to be available to play in the relegation match with the losing Slazenger team and winning North Island Div 3 team.
- There is {currently} no playoff or relegation to Division 4.

MAINLAND SOCIAL TEAMS EVENT

- This is a stand-alone event – i.e. there is currently no promotion/relegation with SI div 3 or play off with North Island teams.
- Is played on a rotational system in the South Island at a location decided by the Mainland committee.
- Exact tie structure is decided by Mainland.
- Tie format may be amended by Mainland at the start of the year to help more teams enter this competition (i.e. less matches per tie so smaller teams required)

New: Player Subsidy Fund

As players make their own travel arrangements at senior level, there may be times where a last-minute substitute is made (e.g. if a player withdraws through injury). In this case, BC recognises that any player making last minute travel arrangements may be considerably disadvantaged, financially. Therefore, we are introducing a 'Player Subsidy Fund'.

The Player Subsidy Fund will be used in the event of a player being asked to travel away with less than four weeks' notice. BC will be able to provide a partial travel allowance up to the value of \$100 per person. This fund will accumulate through player contributions. If, however, the fund reaches > \$500 any surplus funds will be reallocated to the development and ongoing costs of the 'players room', so that everyone benefits.

A \$5 fee will be added to the invoice for all junior and senior players participating in NZJTC or Senior Division 1, 2 and 3.

Applications need to be made to this fund by emailing jo@badmintoncanterbury.com and priority will be given to North Island Travel.

Other costs not included above:

Individual travel costs to away ties

- Entry to St Paddy's, Canterbury Open, Interclub and any other events
- Uniform t shirt if needed.
- Jacket (invoiced at \$160 if not returned)
- Food and other player incidentals

TERM FOUR: SUMMER LEAGUE

For 2024 we are going to trial a different format – that is hugely popular in tennis.

- 15th October – 19th Nov – 6 weeks.
- Limited to 10 teams (two divisions, if numbers permit)
- Teams are made up of 4 people, regardless of gender, who play in order of strength.
- Games are played to time – 25 minutes. Teams set a timer and their 2 games start at the same time.
- Lights on at 7pm for a warmup.
- Play starts at 7.20pm
- You play 3 x 25-minute games with each person in your team, in the following order, versing the equivalent ranked players from the other team.

Court	Time	Rank
1	7.20 – 7.45pm	1 and 4
2	7.20 – 7.45pm	2 and 3
1	7.55pm – 8.20pm	1 and 3
2	7.55pm – 8.20pm	2 and 4
1	8.30pm – 8.55pm	1 and 2
2	8.30pm – 8.55pm	3 and 4

- Lights off at 9.15pm
- Play games to 21 (otherwise scoring will get hard) but keep going until the timer is finished. (Don't finish once you have won two sets).
- Winner of the game is the team with the most points over the games played. E.g. of Team A v B below:
 - Scores of games are 21-15, 17-21, 11 – 17 at the time the buzzer goes.
 - Team A has 21 + 17 + 11 = 47
 - Team B has 15 + 21 + 17 = 53 so team B wins 53 - 47

Summer League	15 th Oct – 19 th Nov 6 weeks	\$13	Suitable to all Doubles 1 and Doubles 2 players Will have two divisions if numbers permit.
