

Join the Board of Badminton Canterbury – Make a Difference in Sport!

Location: Christchurch, New Zealand

Position Type: Voluntary

Application Deadline: 31st August 2025

Are you passionate about sport and community impact? Do you have governance experience or legal knowledge to contribute? Badminton Canterbury is seeking a new **voluntary Board Member** to join our governance team and help shape the future of badminton across the region.

About Us

Badminton Canterbury is a dynamic, inclusive sporting organisation and a registered charity dedicated to fostering participation and excellence in badminton. Based in Christchurch, we support players of all ages and abilities—from grassroots to representative—across clubs, schools, and communities.

What We're Looking For

We are seeking a committed individual to serve on our voluntary Board. You'll work with a team of passionate leaders to provide strategic direction, uphold good governance, and ensure the organisation continues to thrive. Note this is a co-opt position, and the successful person does not need to be a member of a club or Badminton Canterbury.

While all backgrounds are welcome, **preference will be given to candidates with legal expertise**, particularly in areas such as governance, not-for-profit law, contracts, or employment.

Key Attributes:

- A genuine interest in community sport and charitable governance
- Strong critical thinking and communication skills
- Ability to work collaboratively and make sound decisions
- Commitment to diversity, integrity, and our organisational values
- Legal knowledge or qualifications (preferred but not essential)

Board Responsibilities:

- Attend regular Board meetings (typically monthly) in Christchurch or online
- Provide oversight of organisational strategy and compliance
- Support management and staff in achieving goals
- Act as an ambassador for Badminton Canterbury in the wider community

What's In It for You?

- An opportunity to contribute to the growth of badminton in Canterbury
- A chance to give back to your community through your professional skills
- Experience in not-for-profit governance and collaboration with fellow leaders
- Personal and professional growth in a supportive team environment
